Statement of academic integrity

Students must abide by UVic academic regulations and observe standards of scholarly integrity (i.e. no plagiarism or cheating). Therefore, this assignment must be taken individually and not with a friend, classmate, or group. You are also prohibited from sharing any information about the assignment with others. I affirm that I will not give or receive any aid on this assignment and that all work will be my own.

First section.

I like to use the .bib format for references (you can download references in this format from google scholar, and just add them to the scholar.bib file). Regarding style, I do not think it really matters, but here I go with apa which I downloaded from [<https://www.zotero.org/styles?q=apa>]. Now I shamelessly plug one of my own papers, which is not at all relevant: (Martin & Randal, 2008)
